

PIAGGIO®

2024  
RANGE

An astronaut in a white spacesuit with a large backpack stands on the lunar surface, looking towards the Earth in the distance. The moon's surface is covered in dust and small rocks, with a few larger mounds of earth visible. The sky is a deep black, filled with numerous stars and a few bright green nebulae. The Earth is a large, blue and white sphere on the right side of the frame.
